

Acts Housing Longest Neighborhood Table Home Edition

Same Goal, Different Approach

The Longest Neighborhood Table fundraiser has always been about bringing people together to support strong families, neighborhoods, and communities through homeownership. At the heart of this effort are the families Acts serves; the dining room tables across Milwaukee, and now Beloit, where generations gather to share one of our most universal basic pleasures: a meal shared with great company.

While a continuous, winding table with over 500 seats would have been impressive this year, in light of COVID-19, we've decided to change the look of our annual fundraiser. We're calling it Longest Neighborhood Table – Home Edition.

We need your help in spreading Acts' message across southern Wisconsin one dining room table at a time. Longest Neighborhood Table – Home Edition will take place on Saturday, September 12, 2020 in homes from Milwaukee to Beloit, Shorewood to Bay View, Oconomowoc to Muskego, Brookfield to Cudahy and beyond. Our call-to-action is for all of the generous supporters and champions of Acts to come together, no matter where we gather, to continue this important mission of empowerment through homeownership.

No Slowing Down

We are thrilled to see that even in the face of this pandemic we are serving substantially more families than ever before in our homebuyer counseling program. This will create a strong pipeline of financially prepared families who can pursue their homeownership dreams when employment and the economy stabilize, improving neighborhoods in the process. No question, COVID-19 is going to reduce the number of families who can purchase a home this year and will increase the delinquency rate for our loan fund. However, with your continued support, we have been able to work closely with our borrowers to pause mortgage payments and interest where necessary to support families during these challenging times. We will get through this together, and come out stronger.

Families are attending virtual orientation at triple the volume we expected; the need is real - a safe, stable home is critical in these times.

Homebuyer Counselors are helping families reevaluate their plan and timeline, even if their income has changed due to COVID-19

Acts is supporting alumni and helping them avoid foreclosure, and the pipeline of well-prepared homebuyers will grow through our continued work.

Setting The Table

We understand that with so many unknown factors, it can be difficult to plan ahead. So, we've imagined a variety of scenarios that allow our supporters to choose how they'd like to get involved in the Longest Neighborhood Table.

For those interested in "sponsoring a table" with a donation of \$3,000 - we'll bring the event to your home with catering, beverages, decor, and some special goodies for your family and/or guests. (We'll work with these hosts individually to identify how many people will be attending).

Don't worry, hosting doesn't require a sponsorship investment. If you'd like to host an event and share the Acts story with others, all you need to do is confirm your household. We'll share planning tips and ways to support Acts virtually - you provide the meal, beverages, and guests!

If you're more comfortable with just your own family/household, that's okay! You can still become a confirmed host, plan a family meal, and participate with us virtually the night of the event.

No matter where we gather, we're confident that the Acts community will show up, and share their passion and support for this mission.

Host Commitment

Home Edition Host Opportunity

Families that choose to support the Longest Neighborhood Table through hosting will receive the following:

- Virtual Host Orientation (via Zoom) and Acts Team direct point of contact for questions

FAQ's

Q: Will all of the Home Edition events take place on September 12?

A: We're trying to schedule all of the Home Edition events on September 12, but if you're out of town and would like to host on a different date, we can accommodate you!

Q: Do my guests have to purchase a ticket to come to my house?

A: No. While there will be a \$150 ticket option for those who'd like to support Acts that way, there is no required fee to participate. There will be lots of opportunities to give via the fund-a-cause app leading up to and during the event.

Q: How does the virtual component of the event work?

A: We ask that you stream a 15-minute virtual program on YouTube during your event, and provide emails and cell phone numbers of your guests so we can engage them on the fund-a-cause app.
