

Over the last five years, Acts has helped over 500 women-led households achieve their dream of homeownership!

78% of female homeowners earned between 30% and 80% of the county median income.
For a family of three, that's \$25,500-\$67,950 per year.

931 kids in stable housing
80% of these children have single moms

Total amount invested by women in home purchase and rehab:
\$72.9 MM

Total down payment assistance funds awarded to female homebuyers:
\$2.5 MM
